The One Advertisers:

"Our experience in advertising with 'The One' Bride Guide has been **delightfully rewarding**. This beautifully produced publication has quickly established itself as the #1 source amongst discerning brides for valuable information and guidance regarding every aspect of their wedding. A significantly increasing number of our potential clients introduce themselves with, 'I saw you in 'The One'...' It is our great pleasure to recommend Monica McLeod's top-notch staff and professional expertise to anyone in the industry desiring the utmost in marketing. We wish them continued success!"

- Sandra Anderwald, Partner, C.C. Turnkey Events,
"The Courtyard at Gaslight Square"

"When I was first approached to advertise in The One Bride Guide, I was a little unsure of whether or not Corpus Christi could support yet another bridal magazine. The concept and format really appealed to me, so I decided to give an ad in The One a shot. After, the first issue came out, **I could not have been happier!** The beautiful magazine continues to fly off the rack at my location, and after watching bride after bride come into appointments with The One always tucked into her "binder", I can see that the magazine is circulating in an amazing way in Corpus Christi and am really thrilled with the **innovative and fresh** approach each issue rolls out! Thanks to The One for coming to Corpus and taking the world of weddings to a new level!"

- Jayme Jeffries, Wedding Coordinator at the Ortiz Center

"I am a big fan of The One Bride Guide 'Off White Pages'! I utilize this list as my personal Corpus Christi Event Phonebook! I hand a copy to all of my clients from Brides to Meeting Planners because it is such a complete listing of Industry Professionals. Especially for those clients from outside the Corpus Christi area, the 'Off White Pages' are a huge asset for finding local entertainment, caterer's, decorators, and more! Thank you for such an **invaluable resource for Corpus Christi brides** and industry partners. Also, the Aquarium has had two referrals from The One Guide already and this is our first issue (February 2009 issue) to advertise! Well worth the investment!"

- Rachael Griffith, Director of Sales Texas State Aquarium

"We know that The One Bride Guide is circulating this town...almost every time we meet a potential customer, they have already seen it, or have one in their purse! Thanks for the great exposure."

"**I love the new magazine!** I love the white page listings. See if you can get some more companies to enlist. There are many small venues that would be willing to advertise to brides who may have a smaller budget."

"**I really enjoy every issue I have picked up**. I really enjoy looking at all the ideas for reception and ceremony venues. But best of all, I really enjoy looking for wedding reception decor for sign in table, head table and flower arrangements. I have picked up some ideas on bridal bouquets as well from your magazine."

I look forward to the new issue and site!"
